## LABRADOR IRON MINES CCAA ORDER EXTENDED

Toronto, Ontario, July 28, 2015. Labrador Iron Mines Holdings Limited (“LIM” or the “Company”) today reports that the Ontario Superior Court of Justice has granted an extension to December 18, 2015 for the Court-supervised restructuring process under the Companies’ Creditors Arrangement Act (“CCAA”) in order to facilitate a restructuring and refinancing of LIM’s business operations.

On April 2, 2015, LIM instituted proceedings in the Ontario Superior Court of Justice (the “Court”) for a financial restructuring by means of a plan of compromise or arrangement under CCAA and was granted an order (the “Court Order”), as amended and extended on April 30, 2015, providing creditor protection until July 31, 2015, subject to further amendment and extension.

LIM initiated proceedings under CCAA to provide an opportunity for the orderly restructuring of its business and financial affairs, so as to enable LIM to emerge with a viable business in the most favourable position to secure additional development financing to proceed with the development of the Houston Project and continue as a going concern.

The Court Order, as now extended until December 18, 2015, grants a stay which generally precludes any enforcement or collection action being taken against LIM with respect to pre-CCAA liabilities or contracts. The relief is *designed* to stabilize operations and business relationships with contractors, suppliers and creditors and to provide an opportunity for LIM to negotiate a settlement of liabilities and a restructuring of major contracts.

Duff & Phelps Canada Restructuring Inc. (“D&P Canada”) was originally appointed as the monitor of the Company in LIM’s CCAA proceedings. On June 30, 2015, D&P Canada was acquired by KSV Kofman Inc. (“KSV”). Pursuant to an Order of the Court made on July 10, 2015, D&P’s ongoing mandates were transferred to KSV, including acting as Monitor in LIM’s CCAA proceedings. The licensed trustees/restructuring professionals overseeing LIM’s CCAA proceedings prior to June 30, 2015 remain unchanged.

The Court Order, as extended, and related Court documents may be viewed on the Monitor’s website at <http://www.ksvadvisory.com/insolvency-cases/labrador-iron-mines-holdings-limited/>.

### **About Labrador Iron Mines Holdings Limited**

Labrador Iron Mines (LIM) is engaged in the mining, exploration and development of its direct shipping (DSO) deposits located in the Schefferville/Menihek region of the prolific Labrador Trough. LIM commenced mining operations in 2011 and in the three year period of 2011, 2012 and 2013 produced a total of 3.6 million dry metric tonnes of iron ore, all of which was sold in 23 cape-size shipments into the Chinese spot market.

LIM’s current focus is completing its financial restructuring and seeking additional financing. The Company is also working on development of its Houston Mine, to be in a position to complete construction and begin mining operations from Houston when market conditions permit, subject to completion of financing and negotiation of major contracts.
