#### **About Labrador Iron Mines Holdings Limited**

Labrador Iron Mines was established to develop direct shipping iron ore deposits on properties in which it holds interests in the Labrador Trough, Canada's main iron ore producing region, in the province of Newfoundland and Labrador near Schefferville, Quebec.

The Company's properties are part of the historic Schefferville area iron ore district from which over 150 million tons of direct shipping iron ore was previously mined by the Iron Ore Company of Canada from 1954 to 1982.

Labrador Iron Mines is working to reactivate direct shipping iron ore operations in the region with plans to commence production in the summer of 2010.
